Seventeen Listed as Derby Probables; Debutante Stakes Goes to Blue Grass

Jeannie Pie Next To Hancock Filly

Blue Larkspur Miss Home In Clear at Downs Course After Strong Stretch Run

CHURCHILL DOWNS, Louisville, Ky., May 1.—Blue Grass, a daughter of Blue Larkspur and Camelot, carried the Arthur B. Hancock and Arthur B. Hancock, Jr. silks to victory here today in the forty-sixth running of the $10,000 added Debutante Stakes. Given a clever ride by Don Padgett, who is at the Downs to handle Marine Victory in Saturday's Kentucky Derby, the Hancock miss reached the finish of the five furlongs dash a length and one-half before William Veeneman's Jeannie Pie, second by five furlongs over Devereaux Brothers' Gayest, third. Twelve junior misses met in the stake and Blue Grass earned $10,650 in her accounting.

Shouldering 114 pounds under the allowance conditions of the Debutante, Blue Grass was making her second start and graduated from the maiden ranks. Hustled right along through the final quarter, the Hancock filly stepped the Debutante distance over the muddy course in 1:02. Overlooked somewhat by the majority of the crowd, Blue Grass was an outsider in the wagering and returned $17.80 straight.

Shuffled Back Soon After Start

Blue Grass was away well but shuffled back soon after the break, and she then picked her way along steadily on the inside while Blank Dismay, Elbekay, and War Fan dominated the running to the stretch. Turning into the home lane, War Fan drifted out and Jeannie Pie moved into the van as Blue Grass began her winning challenge from third position.

Blue Grass then responded readily when Padgett drew his whip and, after she had raced Jeannie Pie into defeat, won going away. Gayest, far back during the earlier stages, finished willingly enough and, although she could not menace the leaders, earned the short end of the purse by a safe margin over Little Sting, who came from far back after beginning poorly. Miss Mood, the favorite, and War Fan also suffered at the start, the former never reaching serious contention.

Inclement weather undoubtedly held down the attendance at the Derby oval today and occasional showers during the matinee soaked the already muddy track.

The silks of Miss M. J. and C. E. Herbold were carried to a double in the six furlongs first and third races. Three Percent, a stout favorite, ridden by Henry Hauer, whipped Judy Dunn, Say Yes and nine other ordinary platers in the former offering. Red Spirit turned back Try Flying, Timocracy and five more older platers in the latter number.

Espino Gold Gets Up in Closing Strides for Sportsman's Victory

Overtakes Lost and Found Near Finish to Prevail by Head in Berwyn Handicap

SPORTSMAN'S PARK, Cicero, Ill., May 1.—Espino Gold, a veteran who usually shows his finest performances when competing over the local strip, carried the heavy burden of favoritism handsomely in the Berwyn Handicap, seven-furlong feature, and closing with a tremendous burst of speed in the last 70 yards he shoved his head in front in the last few strides to score a popular victory before 11,889 fans on this comparatively bleak and dreary afternoon.

With Aullie Carr in the saddle and enough lead to make up 116 pounds, the nine-year-old son of Espino—Off Gold, who carries the colors of Mrs. Frank Nugent, earned his spectacular score at the expense of L. D. Rosenthal's Lost and Found, who was a short nose ahead of Lowe and Pemberton's Amalka, who in turn was only a half length in front of Camp's First.

The field got away as a team when starter Roy Dickerson gave the signal and Lost and Found was the first to flash to the front. He was quickly joined by Huri Hom Hari, who slipped through on the inside and saved much ground. This pair dominated the running for the best part of the distance and they were well around the final turn before those in back of them appeared to stand any chance of entering contention.

Chances Seem Remote on Stretch Turn

Espino Gold, a trailer during the early running, however, had worked himself up nicely under a well-judged ride and as they made the bend into the home lane he was within striking distance, but his chances appear remote. Huri Hom Hari by this time was well spent from his early efforts and Lost and Found took over the pacemaking job. Halfway down the stretch the latter was joined by Amalka, and out in the center of the course came the flying Espino Gold. Amalka, for an instant, had a dead aim on victory, but Lost and Found came again, forged back to the lead, and it was not until Espino Gold's final surge that he was forced to bow.

It was one of the most rousing finishes of the meeting.

The only horse with any possible excuses was Lost and Found. He attempted to bear out on all turns and was forced to race the shifty Huri Hom Hari into the ground. Still he came with fine courage near the end and just missed gaining the top end of the $2,500 purse.

Although the football season is several months away, the field in the fifth race engaged in a premature scrimmage when they knocked each other all over the racing strip during the running, thus allowing Susan Time, one of the two horses in the test who escaped interference, to score with ridiculous ease. Carlasue was six lengths in back of the leader and four in front of the third horse, Donara.

Helis, Three Associates Gain Control of Suffolk

Bid $3,600,000 at Public Sale For 50.27 Per Cent of Stock

BOSTON, Mass., May 1.—Control of the Suffolk Downs race track at East Boston passed to William Helis, wealthy oilman, and three associates, when they bought a block of 14,991 shares of the Eastern Racing Association at public auction at the Copley Plaza Hotel here today for $3,600,000. The stock, which represents 50.27 per cent of the amount outstanding, was owned by the Aldred Investment Trust, which was forced into receivership.

Partners of Helis, who came into racing on an extensive scale about two years ago, are J. Arthur Warner of Greenwich, Conn., a broker operating in New England, New York and Pennsylvania, and Thomas and John C. Pappas, wealthy Boston brothers engaged in the grocery and importing business. The four men share equally in the venture.

The purchase of the track was consummated in 12 minutes. It was the first public sale of a major race course in the United States. Helis was not present at the vendue. The bidding was done by John Pappas. He was given cart blanc by his partners. Referring to Helis, he said, "I was just told to go the limit."

The only serious challenger of Pappas in the bidding was Paul A. Dever, former

Hampden, Lord Boswell and Kendor Work Out on Muddy Strip for $100,000 Event

CHURCHILL DOWNS, Louisville, Ky., May 1.—The appearance on the muddy track of Foxcatcher Farm's Hampden, the big eastern colt considered having the best chance to shatter the myth of invincibility that has cloaked the powerful Maine Chance Farm team for Saturday's seventy-second $100,000 Kentucky Derby running, the withdrawal of Calumet Farm's In Earnest and the addition to the probable starting field of Mrs. Denzil Hollingsworth's Kendor, were the chief topics of conversation this morning as this Kentucky racing center gradually reached the saturation point from the influx of Derby enthusiasts from all sections of the country.

Following a telephone conference with owner Warren Wright in Lexington, trainer Ben Jones announced today that Calumet Farm's In Earnest would not be a starter in Saturday's seventy-second Kentucky Derby. Withdrawal of In Earnest reduced to 17 the number of probable Derby starters.

smith last year. The grinning Jessop arrived at Churchill Downs today.

Trainer Dick Handlen, who supervised Hampden's trial, declared the prep was just what he expected of the colt and that Hampden was as fine as split silk for his big adventure.

Adams Declines Mounts

Kendor, who won two races in seven starts during the winter season in New Orleans for Mrs. Denzil Hollingsworth, is more or less a surprise Derby candidate, inasmuch as the bay gelding's qualifications hardly approach Derby standards. Kendor was worked a mile in 1:50⅗ handily this morning and trainer Bob Young declared he had asked Johnny Adams to handle the gelding in the $100,000 race. Adams, deprived of a mount when Vera S. Bragg's ailing Mist o' Gold was scratched from yesterday's one mile Derby Trial and also was declared out of Saturday's Derby, declined the mount and returned to New York.

Maine Chance Farm's Lord Boswell, who with his two illustrious stablemates Knockdown and Perfect Bahram retains the ranking as the pre-Derby choice, received his final Derby prep this morning when he was breezed six furlongs in 1:18⅗ and was pulled up at a mile in 1:49⅗. The Blue Grass Stakes winner was clocked the quarter in :26⅖ and half in :52⅖. Meanwhile, Jim Smith, who trains the Maine Chance Farm runners for Mrs. Elizabeth Graham, declared that the latter had informed him that Ted Atkinson will come on from the East to accept the mount on one of her three Derby starters. Eddie Arcaro, who rode Lord Boswell in the Blue Grass Stakes, probably will play a return engagement astride the colt, with Atkinson and Bobby Permane dividing their talents aboard Knockdown and Perfect Bahram. Knockdown, incidentally, galloped over the track today.

R. S. McLaughlin's Wee Admiral became a Derby "improbable" as a result of his performance in yesterday's Derby Trial.

Wee Admiral clearly indicated in the Trial, in which he finished ninth, that he is not equipped to run his best race over an "off" track. With this in mind and in view of his showing yesterday, Wee Admiral's connections have decided to await track conditions on Saturday before clarifying the status of their colt. It is safe to presume that unless the track is fast or good, Wee Admiral will not be a starter.

Rippey Skins Right Hind Hock

In the meantime, it was revealed that both Rippey and Double Slam incurred injuries while awaiting the start of yesterday's Trial. Rippey who won the race in the silks of William Helis, skinned his right hind hock considerably and trainer Ed Snyder is hoping the injury won't interfere with his Derby engagement. The fidgety Double Slam, who has definitely been declared out of the race by owner J. Graham Brown, also cut himself in the gate.

Johnny Longden, who had yesterday's Trial all but won until Spy Song tried to pull himself up through the last 50 yards of the race, said he thought a great deal of the Dixiana stable colt's Derby chances and had learned a lot in handling the temperamental thoroughbred yesterday. Longden, who is anxious to ride Spy Song in the Derby, declared he will return to Churchill Downs from New York to keep his engagement on the Charles T. Fisher hopeful.

There were no new developments concerning the other members of the probable Derby field, although Max Hirsch, trainer of King Ranch's Assault, expressed disappointment in the effort displayed by his Wood Memorial winner in finishing fourth in the Trial. In addition to those mentioned before, Bobanet Stable's Marine Victory, Brolite Farm's With Pleasure, A. C. Ernst's Alamond, Hal Price Headley's Pellicle, Mrs. D. Patterson's Alworth, W. H. Fielding's Jobar, Dave Ferguson's Bob Murphy and Lucas B. Combs' Dark Jungle remained as probable starters on Saturday. Dark Jungle, incidentally, will be ridden by Andy LoTurco.

Trainer Jim Healy also announced that Mist o' Gold's temperature was down to 101 this morning and if the colt's condition returns to normal he will be returned to New York next week. Healy plans to leave for Belmont Park tonight.

Air Rate on Track

NARRAGANSETT PARK, Pawtucket, R. I., May 1.—Trainer Ralph Lentini, who has the crack three-year-old Air Rate here in the interest of Fred Wyse, had the son of Deliberator on the track today. "I think he's real good now," said Lentini, "and he'll be ready for the Providence."

Churchill Downs Handicap Draws Nine, With Hail Victory Choice

Calumet Homebred Out to Annex Fourth in Row in $10,000 Mile Headliner

CHURCHILL DOWNS, Louisville, Ky., May 1.—The eighth renewal of the $10,000 added Churchill Downs Handicap will feature a well balanced program arranged for presentation tomorrow at the Derby course. Connections for nine of the original 48 nominees named their charges through the entry box for the one mile test and the race shapes up as one of the better offerings of the current Kentucky spring season.

Calumet Farm's homebred, Hail Victory, winner of his last three starts, has been assigned topweight for the feature and he will go postward under 121 pounds. Displaying excellent form during the recent Keeneland meeting, Hail Victory ran his successful streak to three straight when he achieved major honors here in the seventy-second running of the Clark Handicap on inaugural day. Jockey Douglas Dodson, Calumet contract rider, will be at the reins on Hail Victory in the Churchill Downs.

Sirius Phoenix Handicap Winner

Mrs. V. E. Smith's silks are to be carried in tomorrow's stake by Sirius, who always has been partial to the local racing strip and turned in several smashing performances here last autumn. Sirius, who will shoulder 120 pounds, looked like a good horse when he won the 1946 renewal of the Phoenix Handicap at Lexington. Jockey Andy LoTurco, who piloted Sirius at Keeneland, is to have the mount tomorrow on the Smith hopeful.

Bull Play, who accounted for the Ben Ali Handicap at Keeneland and finished third in the Clark affair making the pace until near the finish in the latter event, will carry Walter W. Jones' colors in the Churchill Downs. Bull Play will find the flat mile distance to his advantage and he may prove the horse to whip in the headliner. R. Campbell is to ride the Jones representative.

Completing the field for the Churchill Downs are Hal Price Headley's Letmenow 110 pounds; Bernard J. Bax's Sigma Kappa, 110; Carl Graham's Night Crawler, 112; W. C. Huntley's Umpydan, 109; John D. Rogers' Walkie Talkie, 106, and Milton Shagrin's Darby Dimout, 108 pounds. Night Crawler won a six furlongs overnight event at the current meeting and he is rated the danger at the weights.

FRANK CATRONE—Saddled A. T. Simmons' Eternal War for his victory in the Youthful Stakes.

Six-Horse Field Vies in Ral Parr Stakes; Unbeaten Shaffie After Third Straight

Teletimer at Delaware

WILMINGTON, Del., May 1.—Delaware Park has joined Belmont Park, Pimlico and Hialeah as the fourth race track on the Atlantic seaboard to install the Teletimer and it will be in operation for the 30-day meeting opening May 29. In addition the Teletimer wire set-up will be used to connect the patrol judges' booths and starter's stand with the stewards' box, thus furnishing the stewards instantaneous information on the infraction of the rules at any given point of a race.

Sprint, Route Races Equally Divided on Narragansett Card

NARRAGANSETT PARK, Pawtucket, R. I., May 1.—An unusually attractive card, comprising four distance races and four sprints, has been arranged by racing secretary "Ty" Shea for tomorrow's racing here. With the longer races always attractive to New England fans, the program is expected to prove extremely interesting to tomorrow's crowd.

Although the featured New London Purse, a $3,000 allowance test for fillies and mares, is a sprint, the first, fifth, seventh and eighth races are all route races. Eleven were entered for the New London, with topweight going to the Marilyn Stable's Darby Ducat. She will take up 111 pounds, but favoritism is likely to rest between the M. T. Desort Stable's Weatherite, and Hope Stable's Miss Balladier. The former has been asked to carry 107 pounds, Miss Balladier 104. Another threatening candidate in the field is Arthur Gaignard, Jr.'s Bright Signal. Others are Jaylcee, Cream, Ask Aunt Ada, Mar d'Esprit, Milkfloat, Nanny Bones and Ring Curtain.

The fifth and seventh events are also $3,000 purse races. In the fifth a classic field of three-year-olds will go at a mile and 70 yards. The seventh is for four-year-olds and upward, and the distance a mile and a sixteenth.

Iowans to See Derby

CHURCHILL DOWNS, Louisville, Ky., May 1.—Marion Bartlett and Bernard Slate, of Council Bluffs, Iowa, and Mr. and Mrs. Joseph Cardio, of Atlantic, Iowa, arrived here to witness the seventy-second running of the Kentucky Derby. The Iowa party plan to remain at Churchill Downs for several days after the three-year-old classic renewal.

Aberdeen Victor Must Take Up 122 Pounds at Pimlico; Two Couplings in Fixture

PIMLICO, Baltimore, Md., May 1.—Rock Hill Farm's Shaffie, unbeaten in two starts at Havre de Grace, the second of which saw him successful in the Aberdeen Stakes, heads a rather disappointing field in the eighth running of the Ral Parr Stakes here tomorrow.

The field is disappointing for its size, rather than quality, for only half a dozen two-year-olds were named for the four and a half furlongs dash out of a total of 79 nominations. The race is worth $5,000 in added money.

Because of his victory in the Aberdeen, Shaffie must carry 122 pounds, eight more than three of his rivals, and 11 more than the assignments of the other two. However, judging from the fine speed the son of Tintagel and Zuecca has shown in both his previous efforts, he will be a strong favorite to ring up his third straight.

Hazel M. Babylon's Paradise Farm will be represented in the Parr by Big Demand, a daughter of Bull Moose, and this one will be coupled as an entry with Ella K. Bryson's Bullow, another filly by the same sire. Both are trained by former jockey Johnny Leyland.

Second entry in the race is that of Alfred G. Vanderbilt, whose colors will be carried by Good Example, a daughter of Pilate and Yankee Dollar, a filly who claims New World as her sire.

Sixth member of the group is Butter Scotch, a colt by Double Scotch, who races in the interest of George A. Garrett. The event will mark Butter Scotch's first appearance under colors.

Shaffie, judging from his races at the Harford County plant may have a chance to come in close to the stakes time record, set in 1941 by Colchis, who raced the distance in :53⅗. Last session the Parr went to Morris Wexler's Lady Gunner.

The Ticket of Leave Steeplechase Handicap will serve as secondary attraction on the program and it has drawn a well-matched field of five performers including Beneksar, Deanslaw, Greek Flag, Floating Isle and Ahmisk. Floating Isle under 155 pounds is the highweight.

Defeats Pompeian In Youthful Stakes

James Guides Simmons Colt To Length and Half Score In Jamaica Juvenile Test

JAMAICA, L. I., N. Y., May 1.—Allen T. Simmons' Eternal War, a bay son of Eternal Bull—Red Haze, by Man o' War, captured the $10,000 Youthful Stakes at Jamaica today by one and one-half lengths from J. R. Steinman's Pompeian, who saved the place by a narrow margin from Walter S. Horne's Red Devil. Mrs. C. Oliver Iselin's Nassau finished fourth in the field of eight juveniles contesting this stake and was a weary colt at the end. Basil James, leading rider of the meeting, piloted Eternal War, who paid $6.20. The time for the five furlongs was a creditable :59⅗, over the fast track.

A goodly throng of 29,682 fans turned out in ideal racing weather to witness the rather lustreless program. There were a few minor surprises, Mrs. Whitney Stone's By Sea closing with a rush to return $12.60 in the opener; B. F. Lister's Last Tower paying $17 in the second event, and Milton Seidt's Big Teddy rewarding his followers with $15.30 in the third event. Then Greentree Stable's Willing Spirit was beaten at odds-on by the well-played Petrol Point, who carried Frank Frankel's colors in the fourth event.

Leander Pulled Up

W. Goadby Loew's Leander, ridden by Eddie Arcaro, broke in front in the Youthful but was quickly passed by Eternal War, Nassau and Pompeian, and the field came over on him nearing the far turn. Leander scraped the rail, cutting a gash above the stifle and Arcaro was compelled to snatch up to avoid landing in the infield.

Meanwhile, Eternal War drew away to a length lead over Nassau and Pompeian, while Red Devil was more than a length away in fourth place and on the outside, Marble Arch, Gay Song, Noble Creek and Leander followed. Eternal War continued to lead into the stretch and drove on to the wire under a strong ride from James. Pompeian was staggering at the end, while Red Devil, who circled the leaders, closed strongly to take third money and just missed the place.

Only three horses went postward in the Incetatus Handicap, secondary feature, Mrs. Ethel D. Jacobs' Ayah's Boy having pulled up lame after breezing this morning. Frank Frankel's Petrol Point proved an easy winner of the mile and a sixteenth jaunt, leading the Greentree stable's Willing Spirit to the wire by several lengths, while Mimosa Stock Farm's Mono Miller trailed. Ted Atkinson rode Petrol Point, who was saddled by "Sarge" Swenke, and the Peace Chance colt paid $4.40 as second choice.

Borton, Now Out of Service, Reports to Roscoe Goose

CHURCHILL DOWNS, Louisville, Ky., May 1.—Former jockey Wilbur Borton returned to Churchill Downs today and immediately reported to his pre-war contract employer, Roscoe Goose, veteran horseman. Borton, recently honorably discharged from the service as a sergeant in the Marine Corps, has been with the armed forces for over three years and saw much active campaigning in the South Pacific.

Borton is in good physical condition but stated that he expects to bring his weight down a few pounds before resuming his saddle career.

Collins Churchill Arrival

CHURCHILL DOWNS, Louisville, Ky., May 1.—I. J. Collins, chairman of the Ohio State Racing Commission, arrived yesterday from his home in Lancaster, and will remain until next week.

Happy Knight Upset Winner Of Two Thousand Guineas

NEWMARKET, England, May 1—(Reuters).—Sir William Cooke's three-year-old colt, Happy Knight, a neglected 28-to-1 entry, furnished a major upset this afternoon by capturing the Two Thousand Guineas—England's first classic event of the new racing season and a major prep for the country's top turf affair, the Derby.

The son of Columbo, out of Happy Morn, easily whipped 12 rivals of his own age over the one mile distance, breaking the wire four lengths in front of the well-regarded second choice, the Aga Khan's Khaled, who went to the post at 100 to 30. Tom Lilley's Radiotherapy lost the place by a head, with Lord Derby's Gulf Stream, the favorite, finishing a disappointing fourth. The winner was clocked in 1:38⅕. A large crowd, including Princess Elizabeth, turned out to witness the traditional race.

Before today's race Happy Knight had been quoted at 40 to 1 for the Derby, but after his surprising conquest the price dropped to 4 to 1.

Princess Elizabeth received a special treat when her father's horse, Rising Light, won the Chippenham Stakes, run just before the Two Thousand Guineas.

Letellier on Derby Scene

CHURCHILL DOWNS, Louisville, Ky., May 1.—John F. Clark, former chairman of the Louisiana State Racing Commission, and Anthony Pelleteri, Fair Grounds executive, who arrived yesterday from New Orleans were joined today by Jack S. Letellier, president of the Crescent City track.

Camp Grounded Five Days

SPORTSMAN'S PARK, Cicero, Ill., May 1.—For coming over too sharply soon after leaving the starting gate in the fifth race today, with his mount Carlasue, jockey R. Camp is suspended for five racing days.

Bronstein Disposes of Seven Head, Including War Allies

HOLLYWOOD PARK, Inglewood, Calif., May 1.—Louis Bronstein, owner of the Armstrong Stables, has sold the four-year-old War Allies and the juveniles, Stirrup Cup, Family Hour, Family Circle and Blue Lagoon to L. J. Montgomery. Bronstein also disposed of Mankcubob and Sea Warrior to Mrs. Hack Ross.

War Allies, one of the better handicap performers on the West Coast, is a son of Alibhai, one of the Louis B. Mayer sires, and the Man o' War mare, Amphibian. All of the thoroughbreds who changed hands will continue to be conditioned by Hack Ross.

Winner—Br. g, by Sammie—Little Charmer, by Sun Charmer, trained by Mrs. C. E. Adams; bred by J. Howard Lewis.

WENT TO POST—3:15. OFF AT 3:15 EASTERN STANDARD TIME.

Start good from flag. Won ridden out; second and third driving. LITTLE SAMMIE, under restraint while following the pace, lacked room while trying to move through approaching the twelfth jump, assumed the lead shortly thereafter and held sway after turning back the challenge of STROLLING ON. NAYR fenced well and closed with a rush. STROLLING ON made a bold rally to take command between calls after the fourteenth fence, then weakened slightly in the drive. RICE CAKE closed some ground. ABIDALE and FIELDFARE, stablemates, raced each other into defeat. STRAWRIDE lost rider at the tenth jump. ORGULLOSA fell at the fourth.

Overweight—Strolling On, 2 pounds; Fieldfare, 5; Strawride, 3.

Corrected weight—Nayr, 148.

Twosy Continues Winning Ways in Pimlico Fixture

Registers by Three Lengths in Carroll; Cherry Pop Is Second

PIMLICO, Baltimore, Md., May 1.—Twosy, speedy four-year-old filly from the Calumet Farm of Warren Wright, proved best of five fillies and mares who furnished the contest in the eighth running of the Carroll Handicap here today before a crowd of 17,000.

Heavily backed choice of this sizable turnout, Twosy came from well back in the early stages to display her supremacy over these rivals by three lengths, and she covered the six furlongs of the stakes in the excellent time of 1:12⅘, for the track was rated no better than good for the running. She carried topweight of 120 pounds and was ridden by Aubrey Snellings.

Knollwood Stable's Cherry Pop took second honors in the Carroll, a length before Duval A. Headley's Gaga. The last named was fourth lengths in front of N. Petitte's Tedious Miss. Vincent Cicero's Royal Flush was the only other starter.

Tedious Miss established command in the early stages, with Royal Flush and Gaga closest in attendance, while Twosy and Cherry Pop brought up the rear for the first quarter mile.

Snellings then sent Twosy along the rail as they swung into the bend and the daughter of Bull Lea and Two Bob moved up very rapidly to be second on the turn and take command as the field raced into the stretch. Once in front, Twosy opened up a couple of lengths advantage and then increased that in the run to the final line, as Cherry Pop outgamed Gaga for the place award.

Victory was worth $4,000 to Calumet Farm and those who backed the winning filly in the mutuels were rewarded with $2.80 for $2.

The latter, never far back and on the inside, responded readily when set down in the drive and was reaching the winner. UNCLE OTHO, away fast and much used engaging SERGEANT BILL to the final furlong, weakened during the late stages. SANDSLINGER raced evenly without mishap. MIGHTY LUCKY, on the inside from the start, could not better her position under brisk handling. EMPTY PLATE, in the deepest going throughout, could not threaten. Start poor from stall gate. Won driving; second and third the same. BLUE GRASS, shuffled back after the start, worked her way forward steadily, saved ground entering the stretch and, responding to brisk urging, disposed of the leaders during the final furlong to win going away. JEANNIE PIE, on the inside throughout, reached the lead when settled for the drive, but could not hold the winner, although easily best of the others. GAYEST, far back early, came between horses during the drive and finished resolutely. LITTLE STING, away poorly, tired after being hustled into serious contention. BLANK DISMAY went to the front early, made the pace to the stretch, then weakened. WAR FAN, away slowly, moved up boldly at the final turn, then bore out and lost all chance. Start good from stall gate. Won driving; second and third the same. MIDWAY SUN worked way up between horses, responded to pressure in the drive and won going away. GRAY STAR, sent into command soon after the start, maintained a clear advantage under light urging, then held on tenaciously when challenged. TREE FLY broke alertly, was taken under restraint while following close to the leader, then closed with energy. SANDLAPPER raced evenly. ROSY MORN was a forward factor and had no excuse. RED FLARE broke slowly, was moving up near the half-mile post, stumbled and was never a threat thereafter. LOW TENSION had early speed. LINWOOD BLUE was forcing the pace to the stretch turn when he bolted to the outside fence, the rider sliding off. GRAND DANCE was racing back of the field when she stumbled nearing the half-mile post, losing rider.

Winner—B. g, by Canaan—More News, by Misstep, trained by C. O. Ferguson; bred by Leo J. Marks.

WENT TO POST—5:46. OFF AT 5:47½ EASTERN STANDARD TIME.

Start good from stall gate. Won driving; second and third the same. BULLY GUSHER, hard held while within striking distance of the leaders, was unable to draw clear after assuming command, but held on doggedly in the drive. OLE'S GAL rallied well, but could not wear down the winner. KNIGHT TIME came from far back to close rapidly on the extreme outside. JOHN HUNNICUTT raced with the pace throughout, but was not good enough. LIBERTY HEAD was prominent until the late stretch, then faltered. WHITE FORD rallied after being away tardily. THROUGH TRAIN showed nothing. CAPT. AMERICA and LORD HAIRAN raced each other into defeat early.

Scratched—95990^{2} Sungino, 115; 96481 Charming Hero, 110; 96531 Jimmie's Aide, 115; 97038 Beanstalk, 112.

Illinois Notes

SPORTSMAN'S PARK, Cicero, Ill., May 1. Jockey Mike Caffarella arrived from Schenectady but will not swing into action until the Hawthorne meeting. He has given a call on his services to ride for the Jule Fink establishment.

Owner C. S. Popovitch, who has several horses here in charge of D. Sekicky, came from his home in Dayton, Ohio, and plans an indefinite visit.

Instead of riding out the meeting here jockey Al Applebee packed his tack and departed for his home in Omaha, where he will await the opening of the Ak-Sar-Ben session.

The horses R. A. Lewis had here for C. S. Handelman were turned over to J. P. Miller to condition. Lewis expects to leave shortly for New England.

Former jockey Warren Yarberry expects to get away in a few days for Beulah Park. Yarberry has seven horses at the Ohio track.

Rosadel and G. I. Lady have been added to the stewards' list and Infinity K. will not be permitted to start until the track veterinarian is convinced the horse is in fit condition to race.

Ben Fogelson arrived from his home in Omaha. He has a few representatives here who are trained by A. E. Mettz.

J. E. Kelly and S. L. Jones, owners of the Silver Star Stock Farm Stable, are expected to arrive momentarily. They are coming from their home in Dallas.

Ralph Bohn Handling Fourteen Horses of Mrs. E. M. Kohout

SPORTSMAN'S PARK, Cicero, Ill., May 1. —When Mrs. E. M. Kohout's Chance Taker galloped to an impressive victory on opening day and then came back to win again Tuesday, it served as a warning that another local horseman, Ralph Bohn, is going to play an important role in winning purses during the Illinois season.

Bohn is handling 14 horses for Mrs. Kohout, and even though he is something of a youngster in the training profesion he has demonstrated unusual ability since he took over the stable two years ago. He was a better-than-average jockey before obtaining a trainer's license. He did most of his riding on the Illinois circuit.

Suspend Jockey D. Scurlock

CHURCHILL DOWN, Louisville, Ky., May 1.—The local stewards issued the following ruling today: "Jockey D. Scurlock is suspended five days for permitting his mount to come over on the field after the break in the seventh race here on April 30."

Narragansett Picketed By Mutuel Clerks Group

Request Labor Board to Certify Election for Bargaining Agent

NARRAGANSETT PARK, Pawtucket, R. I., May 1.—A group of mutuel clerks employed by the racing association here and organized into the Mutuel Clerks' Guild today petitioned the Rhode Island Labor Relations Board for an election to certify the bargaining agent to represent the mutuel employes in their labor relations with the management.

John Joseph Nugent, Jr., acting chairman of the new organization, stated it represented a majority of the mutuel employes and claimed they had the signatures of 510 of the total of 605 mutuel employees at the track. Announcement of this request to the Labor Board followed morning by representatives of the Office Employees International Union, Local 76, AFL. This local has been attempting to organize the mutuel clerks, also, during the past few days, and its president, Raymond J. Jamieson, refutes Nugent's claim that the Mutuel Clerks' Guild has a majority of the employes here in its ranks. Jamieson opposes an election to determine the bargaining agent because, he says, the Mutuel Clerks' Guild is not "a bonafide labor organization and that it was allowed to function merely as a weapon to combat our organization."

Effects of the picketing this morning was to deprive the track of services of waiters, waitresses, bartenders, blacksmiths and track maintenance men. Most of the mutuel men checked in as usual.

Trucks were turned back, including horse vans and service trucks carrying supplies into the track. The bars and restaurants were all closed.

The pickets were established at the main entrances to the grounds.

Injured in Training Accident

PIMLICO, Baltimore, Md., May 1.—Apprentice R. Ferguson was injured this morning in a training accident when Lucky Hit, whom he was astride, rolled over on him and kicked him in the head. Ferguson was taken to the Maryland General Hospital for examination. Horse and rider went over the fence and landed in the infield.

Scratched for Want of Shoe

NARRAGANSETT PARK, Pawtucket, R. I., May 1.—The Victory Stable's Joel, early favorite for the first race here today, was scratched after coming to the paddock for saddling. The Challenger II. colt needed a shoe and there was no blacksmith available for the job, due to the picketing of the track by the Office Employes International Union, AFL.

Reservations for A. B. Chandler

CHURCHILL DOWNS, Louisville, Ky., May 1.—Included among the many prominent persons who have box reservations for Saturday's running of the $100,000 Kentucky Derby is former U. S. Senator A. B. "Happy" Chandler of Kentucky, who gave up his seat in the Upper House to devote his full energies as high commissioner of organized baseball. Although Chandler has few opportunities to enjoy the thoroughbred sport, members of his family are occasional visitors to Churchill Downs and Keeneland.

Lt. Warner Jones Due Home

CHURCHILL DOWNS, Louisville, Ky., May 1.—Lt. Warner J. Jones, owner of Hermitage Farm, is expected to return to home shores from duty in the Pacific about May 8, and may receive his honorable discharge a week later. His wife, a visitor at Churchill Downs today, announced that they will offer 10 yearlings, five by the successful young stallion Hash, who stands at Hermitage, at the summer sales. A half-sister to Challenge Me and a half-sister to Ariel Song are among those to be sold in July.

Add Stake at Sportsman's

SPORTSMAN'S PARK, Cicero, Ill., May 1.—A new stake race has been added to the local roster, according to announcement by William "Duke" Dahlstrom today. It will be known as the Governor's Handicap and will be for three-year-olds and upward over the mile and one-eighth route. Listed to be decided on the closing day of the meeting, Saturday, May 11, nominations will close this Saturday, May 4.

Scurlock to Ride Alworth

CHURCHILL DOWNS, Louisville, Ky., May 1.—Jockey Ovie Scurlock, veteran of World War II., is to have the Kentucky Derby mount on Alworth, the hope of Mrs. R. D. Patterson, in Saturday's rich three-year-old stake, according to announcement here today by trainer John B. Partridge. Scurlock handled Alworth in the Jeffersonville Purse on Monday, finishing third in that seven-furlong test.

McMasters Seeking Stalls

SPORTSMAN'S PARK, Cicero, Ill., May 1.—N. A. McMasters, trainer of the Silver Star Stock Farm, has three horses in quarters at the local track, including Chipamink, Smart Fox and Cedar Bark, and is making an effort to find quarters for Volcano and Bounding Deep, who are housed at Lincoln Fields.

Helis Happy Over Rippey's Fine Derby Trial Triumph

NEW YORK, N. Y., May 1.—William Helis, who in partnership with J. Arthur Warner of Greenwich, Conn., and the brothers Pappas, Thomas and John C., of Boston, bought controlling interest in the Suffolk Downs race track at East Boston, day, was more concerned about the chances of his colt, Rippey, winning the Kentucky Derby on Saturday than he was in the $3,600,000 venture. He did not attend the sale in Boston, John C. Pappas being the actual bidder.

Contacted at his New York offices, he refused to issue a statement concerning Suffolk Downs. "No comment at present; perhaps I'll have something to say in a few days," was his reply when asked what his plans are for the track. But on the subject of Rippey, he was more talkative and enthusiastic. He was still glowing over Rippey's victory in the Derby Trial at Churchill Downs yesterday.

"What did you think of it?" he inquired of his interrogator, referring to the result. Without waiting for an answer, he continued, "Rippey ran a nice race and he's a nice colt. I don't know what he'll do in the Derby; that's going to be tougher. But he's a nice colt."

Shropshire Returns to East But Will Be Back for Derby

CHURCHILL DOWNS, Louisville, Ky., May 1.—Elmo Shropshire, manager of the Helis Stock Farm, Jobstown, N. J., left for the thoroughbred nursery last night but will return here in time to witness Rippey's performance Saturday in the Kentucky Derby. Before his departure, Shropshire announced that 41 foals have arrived at the farm and that 12 mares are due to foal.

Accompanying Shropshire on his return trip to Kentucky will be William G. Helis, prominent sportsman and thoroughbred patron, Eugene Mori, president of the Garden State Park, Walter Donovan, general manager of the Jersey oval, R. Bruce Livie, owner of the Bobanet Stable and Dr. Frederick Wright, veterinarian at the Helis farm.

Goose May Resume in Sport

LOUISVILLE, Ky., May 1.—Roscoe Goose, local turfman, who may return to the sport as an owner and trainer before the season is much older, has inspected yearlings at a number of the larger breeding farms and has an excellent line on many such youngsters in the Blue Grass. A probable purchaser at the summer yearling sales, Goose's judgment in appraising young horses is sought by a number of patrons.

Seven to Match Speed Over 1 1-16 Miles Of Antrim Purse at Jamaica Oval Today

Cencerro, Lets Dance, Elpis And Le Havre Go in Event; Pericles Works Half Mile

JAMAICA, L. I., N. Y., May 1.—The $6,000 Antrim Purse, a test at a mile and a sixteenth that has drawn a clever field of seven, is the feature of tomorrow's Jamaica program. Havahome Stable's somewhat discredited Cencerro and Sunshine Stable's steadily improving Lets Dance are the top weights in this event with 119 pounds each. The five opposing this pair are Dockstader, 115; Le Havre, 114; Elpis, 112; Alison Peters, 108, and Helioptic, 106.

Theoretically William Helis' Elpis is the class of this race, having won the Coaching Club American Oaks, filly classic, last year and scored in her first start here this season. However, Elpis was beaten decisively by Mahmoudess and Surosa on Saturday and had no apparent excuse, though finishing fairly well.

Lets Dance, who will probably be the favorite, beat Cencerro a nose in his first local start of the year, with Dockstader a distant third then, then was beaten into third place by Fighting Step and King Dorsett. Either of the two who beat Lets Dance in the latter test would be odds-on here. Cencerro finished dead last in the Excelsior, behind Fighting Step and the rest, after having speed for a half mile, and may be a little stale. He compiled a good record in Florida.

Le Havre is a hard horse to guess, while Helioptic "got good" in the fall, but hardly good enough to figure seriously here. Jule Fink's Alison Peters might be a little better than generally thought, and has at least an outside chance at the weights, though this seems a rather ambitious spot.

There are also three $4,000 races on tomorrow's card, one of which is the Wexford Purse, a six-furlong dash that will be run in two divisions as the third and sixth races. Such potential stars as Hired Man, New Challenge, Matruh and Sam Bernard are among the nine entered in the first half of this sprint. The second half has 10 starters, including Merry King, Jolly Soul, Jarvis Bay, Ray O'Sullivan and Blue Mill. Both tests appear wide open.

Lets Dance breezed three-eighths in :36⅘ over the slow Aqueduct strip this morning. That work is as good as one something more than a second faster at either Belmont or Jamaica. Alison Peters went a handy half in :48⅗ over the Belmont training track, while Le Havre went the same distance in :50 over the same strip.

Possibly the highlight of the morning trials was the move made by Pericles, William Helis' $66,000 colt, who went a half in the comparatively slow time of :51⅖, but was fighting for his head all the way. The son of Blenheim II.—Risk, who won his belated debut here last week, is a possible candidate for Saturday's Grey Lag Handicap, in which he is expected to have to meet such as First Fiddle, Stymie, Fighting Step and Gallorette. The latter filly, who stopped as though short in the Excelsior, went a half in :48⅖ this morning.

Kentucky Notes

CHURCHILL DOWNS, Louisville, Ky., May 1.

Job Jessop, leading rider last year, and Hampden's Derby jockey, is expected in time to handle Hampden in his last preclassic workout.

Eugene Mori and Walter Donovan, top executives of the Garden State Racing Association, plan to come to Louisville for the Derby, and may arrive on Friday. On reaching Churchill Downs they will find many horse owners interested in the coming meeting at their Garden State track near Camden.

Mr. and Mrs. Don Ameche, arrivals from Hollywood in time for Saturday's opening of the local meeting, are remaining for the Derby.

Edward J. Fleming, a director of the American Turf Association, came from Palm Beach and will be a guest of Col. Matt J. Winn, president of that association, through this week.

John Marsch has returned from Chicago and will remain for the balance of the meeting. Trainer Burley Parke has a number of Marsch's thoroughbreds ready for racing here.

One of the busier Downs' trainers, Jake Lowenstein, Chicago horseman, will have a number of his horses under colors before shipping to Chicago for the last four weeks of the Lincoln Fields meeting.

Herb Fisher, recently returned war veteran, is handling the riding engagements of jockey Charles Wahler, contract rider for the Brolite Farm.

Lou Neir, owner of Spring Lake Stud Farm, inspected the horses he has here in charge of trainer Henry Forrest, and after a brief visit returned to his home in Walton, Ky.

Jockey Willie Lee Johnson, who will resume riding at Churchill Downs on Thursday, accepted the mount on Frederick Wise's Heres How for the 1946 renewal of the Kentucky Oaks. After filling his local engagement, Johnson will leave for Belmont Park and report to trainer James W. Smith, of the Idle Hour Farm stable.

Harold Sherman stated at Churchill Downs that he will ship 18 horses to the Detroit Fair Grounds after the close of the Kentucky spring season. The contingent will race at the Motor City under the silks of Grissom & Sherman.

W. E. Harned has taken over the training of his own Prince Govans, Laundry Boy and Burning Sands. Guy Martin who formerly conditioned the Harned trio, now is looking after his own pair, Motivate and Ship Jr., as well as H. Ekey's Guante.

Robert J. Conley, former rider, is training his own Cat Like and Bulfair at Churchill Downs.

Leo J. Caillouette, Tennesee thoroughbred patron, is a Churchill Downs arrival and announced that his mare, Joan Crest, foaled a colt, the get of Chance Play. Hasty Kay, another Caillouette matron, slipped twins this season and she then visited Reigh Count's court. Caillouette will again campaign a useful stable this year, headed by the good colt, Joe's Choice.

Albert Wellman, Detroit turfman, plans to transfer his entire stable to the Motor City immediately after the conclusion of the Churchill Downs spring meeting. Many Lands is the best of the 20 thoroughbreds Wellman will race at the Michigan track.

Stewards Excuse Ayah's Boy

JAMAICA, L. I., N. Y., May 1.—Ayah's Boy, owned by Mrs. E. D. Jacobs, was excused from the fourth race by the stewards. The six-year-old pulled up lame following the "pipe-opener" and upon the advice of the track veterinarian was withdrawn.

Strict Surveillance at Gates

PIMLICO, Baltimore, Md., May 1.—In line with the announced policy and determination of the Maryland Jockey Club to rid racing of all undesirable elements, the organization announced that opening day at Pimlico, 13 persons were escorted from the grounds and 10 were refused admission at the gates. Strict, forceful and reliable personnel have been detailed to the policing of the Pimlico race course, and the clean-up, which started Monday, will be continued until abated.

McDaniel's Future Plans

CHURCHILL DOWNS, Louisville, Ky., May 1.—D. R. "Pup" McDaniel, who has resigned as trainer for J. Warfield Rodgers, effective today, will give his full attention to the horses he has for Louis J. Hollenbach and other patrons. Last fall Hollenbach purchased the speedy Roi Rouge from Rodgers. After tomorrow the Rogers racers will be conditioned by Tommy Root, who also trains for C. W. Pershall and T. E. Bridger.

Mist o' Gold Improved

CHURCHILL DOWNS, Louisville, Ky., May 1.—Before returning to Belmont Park today, trainer Jim Healy announced that the condition of Mist o' Gold, who was to have carried Mrs. Vera S. Bragg's silks in Saturday's Kentucky Derby until he developed a fever while being shipped to Kentucky, was much improved. According to Healy, Mist o' Gold's temperature was down to 101 degrees this morning and, if the colt continues to improve, he will be returned to New York next week.

LUXEMBOURGER, slow to begin and racing greenly, could not threaten the leaders when hard ridden through the stretch. TEDDY'S VIXEN raced on the outside throughout. Plumper Out for Month

CHURCHILL DOWNS, Louisville, Ky., May 1.—Leigh Cotton, trainer of Hal Price Headley's three-year-old Plumper, said the colt came within a hair of being cut through to the tendon when he was jumped on during the running of last Thursday's Blue Grass Stakes at Keeneland. Cotton added that the colt will be out of training for a month.

Luzerne Purse Attracts Eleven-Horse Line-Up

Claremont Miss, Captain Ruth Seek Honors at Sportsman's

SPORTSMAN'S PARK, Cicero, Ill., May 1.—The sprinting division, which has been monopolizing the spotlight during the opening phases of competition at this miniature course, once again will take over the featured offering tomorrow with 11 shifty campaigners, representing eight interests, being named for the Luzerne, a five-furlong dash billed as the sixth race.

The Luzerne has attracted a number of real "oil-burners" and is likely to develop into a furious battle for the lead before the field reaches the first turn. The two most likely to succeed in this endeavor are the Donna-Ray Stable's Claremont Miss and Danny Brammer's Captain Ruth. A five-year-old daughter of Transmute—Poutaway, Claremont Miss has been long known for her quickness out of the gate and she is reported to be in first class condition for her spring bow here. In her last 10 races she has dashed to the fore in eight, and on two occasions managed to maintain her speed long enough to win. The short distance will fit her nicely and the only question in the minds of local turfites is whether she can carry her blistering speed around the sharp turns.

Captain Ruth, after having shown fine foot in her trials, made her seasonal bow here Monday and displayed her usual smartness during the early stages, while hugging the turns like a veteran half-miler. She gave way in the final drive, however, and it may have been that she was in need of conditioning.

Kurkjian & Dilger's John Q. Public, who failed in his role as favorite against some of the better sprinters Monday, will attempt to make amends in this sprint and retains enough loyal supporters to be regarded as one of the choices.

Mrs. E. M. Kohout's roan gelding, Ilefetchit, who failed to work up any signs of animation during his Florida campaign, is expected to come up with a clever performance against these speedsters. He is partial to the footing here and has previously proven his ability to handle the tricky turns. His young trainer, Ralph Bohn, has given him a careful prep, his latest move being a handy half in :52⅖, which isn't far away from the figure many horses have been registering in actual competition.

Bolo Tie, who will race coupled with Claremont Miss, captured his last race against a fine field of sprinters at Oaklawn Park, before coming here and may prove an able companion for the fleet mare. John Q. Public will be assisted by his stablemate, Victory Blue, while another entry will find W. H. Bishop's Old Silk and After Eight teaming up. Others in the field will be Five A. M., My Scott, and She Didn't.

Helis, Three Associates Gain Control of Suffolk

Bid $3,600,000 at Public Sale For 50.27 Per Cent of Stock

Continued from Page One

Massachusetts attorney general, who was believed to be representing the Simco Trading Company, Inc., of Boston, an ice cream firm. William P. Kyne, general manager of the Bay Meadows track at San Mateo, Calif.; Maurice Simon, a Boston attorney; Walter J. Waldron, also of Boston; Joseph F. Timilty, former Boston police commissioner; F. C. Dumaine, Jr., of Boston, son of the noted New England textile executive; Robert H. Radsch of New York, and John L. Shea of Boston, also were numbered among the other bidders, who made a total of 24 bids.

Auctioneer Aaron Crock conducted the sale. Attorney Edward O. Proctor, one of the receivers of the track, read the terms. As the bidding was about to begin at 11:05 a. m., former State Senator Joseph A. Langone of Boston interposed an objection, protesting the terms of the sale which called for the posting of $100,000 certified check to qualify a bidder and an additional $250,000 certified check by the successful bidder. The balance of the purchase price must be paid within one week at the First National Bank of Boston by order of the U. S. District Court, who authorized the sale. Langone was informed that the sale would proceed as scheduled.

Timilty opened the bidding by offering $1,500,000. Kyne quickly rose and bid $2,000,000. The price soared to $3,525,000 and then came a pause. Crock asked if there were any more offers. Receiving no answer, he started the customary toll:

"Once," he said. Before he could count further, Dever reopened the bidding with an offer of $3,550,000.

"Any more"? asked the auctioneer.

Pappas rose and said:

"Three million, six hundred thousand dollars."

That silenced Pappas' rivals. "Once, twice, sold," exclaimed Crock. It was then 11:17 a. m.

The price was approximately $240 per share.

Although he failed to acquire a controlling interest in Suffolk Downs, Radsch bid in an additional block of 7,500 shares in the Eastern Racing Association at a cost of $1,725,000. This represented $230 per share, about $10 less than the Helis syndicate paid.

Virtually all of the bidders represented syndicates, but the connections of some of the individuals were not disclosed.

The Eastern Racing Association will conduct two meetings at Suffolk Downs this year, the first consisting of 36 days, opening on May 27 and running to July 6, and the second extending from October 1 to October 26, a period of 23 days. The track opened on July 10, 1935, at a reported construction cost of $2,700,000.

If the U. S. District Court approves the sale, as expected, the new owners will meet Friday to reorganize the association. All the present officers of the track submitted their resignations to give the buyers a free hand. Allan J. Wilson was president and Edward F. Goode, treasurer.

Keeping Cases on the the Derby Hopefuls
Hampden Pleased Owner in Chesapeake
Pimlico Also Utilizes Its Centerfield
Hail Victory, Pukka Gin in Comebacks

LOUISVILLE, Ky., May 1.

Turfiana: There are more than 20,000 reserved seats for this seventy-first renewal of the Derby. For the rest it will be catch-as-catch-can. . . . A reported $250,000 was invested since last year in "accommodating the public" at this Saturday's classic. . . . The Monon is another R. R. which plans Derby specials. . . . Spy Song will race at Arlington-Washington. . . . Hawthorne rearranged its seating to increase its facilities. . . . Gene Mori is adding $205,000 to a dozen Garden State stakes. . . . South Africa is disposed to go along with Brazil and The Argentine in recognizing the U. S. Stud Book. . . . The Thoroughbred Club of Tennessee holds its annual banquet at Nashville on May 5. Tom Underwood will be the principal speaker. . . . The Chesapeake answered Willie duPont's question if Hampden could be rated, and handle off going, in the affirmative. . . . The Bobanet "bug," Padgett, beat four favorites getawayday at Havre. . . . There is a $50 penalty for failure to report a nerved horse in Maryland. . . . Star Pilot's inability to train faster disappoints Mrs. Elizabeth Graham, who had last winter hoped he would break the Derby jinx against Futurity winners. . . Jockeys' Guild members will devote all fees on a "Guild Day" in August to the club funds. . . . Jimmy Brink says he intends racing Lookout Jester in the East. She is in all the richest stakes.

"Picking the Derby winner" is America's absorbing preoccupation just now, and the race contains no such 2-5 shot as was Count Fleet in '43. It may add to the confusion that the Blue Grass, Chesapeake and Derby Trial were all run over tracks more or less "off." (Even a few riders, maneuvering to get on an entrant with a solid chance, have had talent scouts here, observing the training gallops.) At this critical stage there are always rumors circulating the backstretch. For instance, there was some little apprehension about Knockdown's recent trial, but trainer Jim Smith only smiles wearily and explains he runs best a trifle short. Hampden's gaudy Chesapeake form has won him a following. But Lord Boswell, who is Jack Campbell's choice, holds steady as the futures favorite after making up a 12-length deficit on Keeneland's short turn and homestretch in the Blue Grass. Longden's headlong technique seems to suit Spy Song. There is a lot of speed in this Derby.

An argument that is going well for pedigree pundits just now concerns the advisibility of giving a horse a good mother. Miss Frances Kane, who is an inexhaustible fact-finder, has got down a lot of dusty old times and exhumed the information that Lord Boswell's dam Fantine won at two and was third in the Kentucky Oaks and Dearborn Handicap. Spy Song's dam Mata Hari won the Kentucky Jockey Club Stakes. Hampden's dam Evening Shadow was a good winner. Rippey's dam Broad Ripple won stakes at two and three. Wee Admiral is from Little Nymph, who was a stakes winner of $27,060 and a popular favorite with New Orleans racegoers. In Earnest's dam Heedless Gal won at three and four. Knockdown is out of Bride Elect, a winner at two and three. Alamond and Assault are from mares that never raced, for some obscure reason, and Passarine, the dam of Marine Victory, went wrong after showing speed in training and placing at two.

Downs' turnstile marks are falling and reports from the Free State seem to indicate that Harry Parr III. was not just indulging in wishful thinking when he conjectured that a new "high" of more than 50,000 may see The Preakness a week from Saturday. The meet on The Hilltop began Monday with 18,000. There were 25,000 at a neighboring hunt meet Saturday. A close Derby finish would of course stimulate added interest in Pimlico's "Richest Race in the World." Alfred Vanderbilt is rooting for Knockdown as his breeder, and at $2,000 he is the bargain colt of the "Triple Crown" aspirants. As at the Downs, preparations are going forward to press the centerfield into service on Pimlico's big day. Both provide tote facilities in that area. Other tracks may thus cope with overflow crowds, in the building materials shortage, as Tropical did last winter. Discussing this with Col. Matt J. Winn, the famed "Daddy of the Derby" observed that the natural wish of the public to have a vantage point near the finish is a thing which rather complicates track design. (Entrepreneurs of other sports can just build a circular stadium in confidence that any location is more or less desirable.) In this era of high "takes" it is especially important that tracks "put on a good show" and enable the public to see it.

Most of the top handicap horses now are in the East, but the $10,000 Churchill Downs tomorrow will draw some local favorites, including Warren Wrights' Clark winner, Hail Victory, handicapped at 121. This horse has made a comeback in a season remarkable for the number of "glorious cripples" attempting it. In this connection it is apropos that Free for All was nominated for the Churchill Downs. He was breezing steadily until about about a week ago, when Burley Parks let up on him. In New York, Pukka Gin has turned up in the entries twice and won both times, as the climax of two years of patience and the skill of vets and trainers. A futures favorite for the '44 Derby, won by Pensive, Pukka Gin shocked the turf world when he bled at Pimlico training for the race. It required rather heroic efforts to save his life. From time to time, we have kept cases on Burg-el-Arab's status, and this horse, an unbeaten two-year-old until he bowed, is now breezing at Belmont Park, where he is a Suburban Handicap eligible. Horses that have gone wrong can rarely reproduce their best form, but Equifox did it after being out two years on a bow. Mention of the Churchill Downs Handicap reminds us, by the way, that Fred Burton pays Fighting Step a pretty compliment with topweight of 130. He has increased his fame to intersectional proportions in winning the Paumonok and Excelsior at Jamaica and now looms a formidable candidate for the $30,000 Grey Lag there on Saturday.

Pellicle Goes Six Furlongs

CHURCHILL DOWNS, Louisville, Ky., May 1.—Displaying much quality on a muddy, somewhat holding track, Pellicle, Hal Price Headley's candidates for honors in Saturday's renewal of the Kentucky Derby, breezed six furlongs in 1:15⅗ here this afternoon. Trainer Leigh Cotton had the Sir Damion gelding on the track between the sixth and seventh races, and George Hettinger, the horse's Derby pilot, was in the saddle. Pellicle clicked off the first quarter in :25⅕ and the half mile in :50⅖.

Allpulch Sprint Winner As Track Changes Race

Labor Dispute at Narragansett Prevents Gate From Being Moved

NARRAGANSETT PARK, Pawtucket, R. I., May 1.—The Frances Stable's Allpulch, five-year-old son of All Ashore, proved the best of five experienced routers who unexpectedly found themselves called to go only six furlongs in the featured Bridgeport Purse here today. Because a labor dispute at the track prevented the Puett starting gate from being moved from the six furlongs chute, the distance of the Bridgeport and one other race was changed from a mile and a sixteenth to three-quarters of a mile. Two other fields were sent away with walk-up starts.

Allpulch scored by two lengths over Joe Tabellario's Dansation after being backed down to 1 to 2 by the crowd of 18,000. His time was 1:13⅖ over a track rated as fast, but which had not been harrowed or sprinkled all afternoon. The winner paid $3 straight and $2.20, both to place and show.

Because of the labor controversy the starting gate could not be moved to the six-furlong pole from the sixteenth pole for the start of the first race. The horses were sent off from a walk-up start with the flag in the hands of Jack Hennessy, chief assistant to starter George R. "Buddy" Winfield. The latter was attending a meeting of the horsemen in the stable area. None of the riders in the race had ever participated in this type of start. Mrs. Lottie Wolf's Pompous Fox scored by a length over the favorite, Mrs. Thos. Haskos' Sunspark, in a mile and a sixteenth run in 1:51⅖.

After this race it was announced that the third race, a five-furlong affair, would be started from a walk-up. The remaining five races were all started from the six-furlong chute, the gate not being moved all afternoon. The sixth and eighth events were originally staged scheduled at a mile and a sixteenth but the horsemen agreed to change them at a six furlongs. It was agreed that conditions of the last be changed to eliminate the claiming clause.

Buzfuz Given 130 Pounds For Toboggan Handicap

JAMAICA, L. I., N. Y., May 1.—Sunshine Stable's Buzfuz, one of the most consistent horses in training and winner of his last two starts at Jamaica, has been assigned the substantial top weight of 130 pounds in the Toboggan Handicap. The six-furlong dash on the Widener Course is the opening day feature at Belmont Park on Monday, and carries $15,000 in added money.

Rippey Showed Class in Derby Trial
Helis Horse Threat to Maine Chance
Mist o' Gold Would Have Liked Route
Tradition to Derby Shared by Oaks

LOUISVILLE, Ky., May 1.

Rippey may not win the Derby, but the horse that beats him will know that he has been in a race. The Derby Trial was one of the best "two-horse" affairs this writer ever witnessed. There were eight others in the Trial but they were rather neglected as all eyes were riveted on Rippey and Spy Song as they staged a sensational duel from end to end. This pair increased Derby interest and probably decreased the Derby field. When Rippey crossed the finish line a neck in front of Spy Song, the rest of the field was stretched down the track. With Pleasure and Assault are deserving of another chance but should the track be muddy on the week-end we see little chance for Alamond, Marine Victory or In Earnest and no chance for Wee Admiral. They will now clear the decks for one of the most interesting Derby renewals in many years. The withdrawal of Mist o' Gold was unfortunate, for the Bragg colt appeared to have a chance at the Derby route. We still expect to see about 15 go to the post and they promise to make it a horse race from start to finish.

It is our guess that the 100,000 mark will be reached when the Derby field answers the bugle on the week-end. There is no telling how many visitors Louisville will hold on Friday night. As early as Tuesday we chatted with Don Ameche from Hollywood and a few minutes later ran into John F. Clark, former chairman of the Louisiana Racing Commission, and Tony Pelleteri, both up from New Orleans. They have come from all over the country and it was surprising to us that so many different versions of the Derby running and ultimate winners were heard. The majority believe that one of the Maine Chance Farm colorbearers will enter the winner's circle. One well-known eastern handicapper believes Lord Boswell will win with Knockdown second. William Helis' Rippey will have many supporters, regardless of the track conditions. It has been raining on and off in Louisville since Monday night and the home folk down here tell us that once a rainy spell sets in it often lasts quite a few days. If the going is muddy on Saturday, Spy Song will be supported for he demonstrated in the Derby Trial he can negotiate an "off" track. But, like Rippey, Spy Song can hold his speed on a fast track, so he will not be hampered if weather conditions change.

In the Derby Trial three of the starters were sired by horses who ran in the Derby renewal of 1936. Still from the breeding viewpoint, there is something of a new set-up this year. Lord Boswell is by Boswell, Knockdown by Discovery and should Perfect Bahram start that will bring Bahram into the Derby picture for the first time. William Helis' Rippey is a colt by Pompey and it was back in 1937 that Pompoon, another son of Pompey, ran second to War Admiral. Spy Song is by Balladier out of that famous mare Mata Hari and by no means can he be counted out in Derby reckonings. From all indications that imported Heliopolis will depend mainly on Hampden, although he also will have Marine Victory representing him. Marine Victory made a bad showing in the muddy going of the Derby Trial, but on a fast track he is one of the most consistent racers of his age. Whatever three-year-old wins the Derby he will bring credit to his sire—and also his dam. In both this country and England a Derby winner is assured of his chance in stud, besides centering attention on his own sire. The race course is the true test of class, so that is as it should be.

The "tradition" of Churchill Downs is not confined to the Derby. While tomorrow's Churchill Downs Handicap is comparatively a young race, Friday's Kentucky Oaks is as old as the Derby, being first run in 1875. Down through the years the winning roster is studded with the names of many fillies who were champions of their years, including Modesty, Untidy, Princess Doreen, Black Maria, Easter Stockings, Rose of Sharon and others. No less than 68 were nominated for the seventy-second running on Friday and among them are many who distinguished themselves in two-year-old competition last season. The Maine Chance Farm of Mrs. Elizabeth Graham named five, but it appears as if Pure Gold is the one certain to go postward. This Blenheim II. filly has been training well for the past few weeks and will be sharp for this important event at one and one-sixteenth miles. Beaugay went from Keeneland to Arlington Park.

Getting a room in Louisville is one thing, but obtaining transportation is even a bigger problem. Although the Churchill Downs meeting will continue, many New York fans are anxious to get back for Monday's opening of the Belmont meeting which promises that some records will be broken. As usual, the Toboggan will send the 24-day meeting under way and will be followed by the Fashion on Tuesday; the Swift on Wednesday; the International on Friday and the time-honored Metropolitan Handicap on Saturday. Some of the stake events are certain to clash with those at other racing centers, but under present conditions that is inevitable. Belmont is more than supplied with racers for all divisions, including that of the older horses. As the season wears on the handicap members will be skipping hither and yon, for $50,000 events are now so common that all a good horse needs is four solid legs to garner his owner a neat sum. The jumpers will add interest to the sport at Belmont and Pimlico. Belmont's big day will be June 1, when the Belmont Stakes will complete the "Triple Crown" series.

Calumet's Kentucky Unit to Race at Lincoln

CHURCHILL DOWNS, Louisville, Ky., May 1.—Benjamin A. Jones, trainer for Warren Wright's Calumet Farm stable, announced here today that the division quartered at the local oval will be shipped to Hawthorne for the Lincoln Fields meeting after the close of the Downs spring meeting. Included in the band of 24 thoroughbreds are such performers as Pot o' Luck, Hail Victory, winner of the 1946 renewal of the Clark Handicap; In Earnest, High Shine, Jezros and Altair. Jockey Douglas Dodson, contract rider for Calumet, will accompany the entourage to Chicago and he may occasionally go East to fill stakes engagements on the Calumet horses, conditioned by H. A. "Jimmy" Jones, son of the Calumet chief trainer. John Ward, agent for the Calumet contingent, stated here today that many of the stable's thoroughbreds are to contest in Lincoln Fields stakes.
